The Isle of Man bus fleet is always on the go, with around 3.5 million passengers* carried every year.

T-sides, Supersides and Bus Back advertising panels are available on the bus exteriors plus cost-effective interior panels, so we can tailor a bus advertising package to suit your requirements and your budget.

"Since launching our bus advertising campaign, we've had various new business enquiries and sales as a direct result. It is a fantastic way to extend the reach of your promotional campaigns, at a very reasonable cost."

Gary Cregeen, Group Sales & Marketing Manager, Manx Gas.

Bus Back

Superside

"We were absolutely delighted with our bus advertising which was part of a campaign to celebrate our 20th anniversary. Our exterior sites had a great visual impact which got a lot of people talking and our interior sites were the perfect accompaniment which allowed us to promote multiple messages – all at a minimal cost. I'd certainly recommend it."

Marco Leonetti, Director, Utopia.
