Manxman

Built in 2023, Manxman is the first new build vessel the Company has commissioned since Ben-my-Chree joined the fleet in 1998.

Manxman has a passenger capacity of 948, that's over 300 more than the Ben-my-Chree. It has 10% more lane capacity for vehicles too. It's open and spacious feel comes down to clever use of space and design with cafés, bars and a selection of quiet spaces and dedicated space for pets.

Manxman operates twice daily return sailings between Douglas and Heysham.

Manannan

There are a variety of poster sites available on fast craft Manannan.

Fast craft Manannan sails between Douglas, Liverpool and Dublin from March to October, and is very popular with day trippers and holidaymakers.
